Re: Nextel Communications E911 Phase II Report and Request for Rule Waiver

Dear Mr. Foster:

As a follow-up to our telephone conversation of this morning, the Federal Communications Commission consented to Nextel Communications, Inc.'s ("Nextel") acquisition of Pittencrief Communications, Inc. ("PCI") via a transfer of control on October 24, 1997. This transaction was consummated or "closed" on November 12, 1997. As of that date, PCI became a wholly-owned subsidiary of Nextel. Since that time, Nextel has assigned, though *pro forma* assignments, most, if not all of PCI's licenses to other wholly-owned subsidiaries of Nextel. Accordingly, Nextel's E911 Phase II Report covers the licenses formerly controlled by PCI.

I trust that this responds to your inquiry. Should you have any further questions, please contact me at (703) 433-4140.

Respectfully submitted,

Lawrence R. Krevor
Vice President - Government Affairs
